

Tar-Pamlico River Camping Platform Rental Policy

Rental fees are NON-REFUNDABLE, except in cases of flood or hurricane. Notice of these situations will be posted on our website tarpamlicowatertrail.org or you will be personally notified if short notice. Check often around the time of your trip. If you must cancel, you may reschedule your reservation for use within one year of your original rental, if a platform is available.

Sound Rivers reserves the right to close the trail/camping system in the event of floods, hurricanes or other reasons (not including normal high water) and/or move paddlers to available platforms not affected by flood waters. Due to the potential for rapid changes, paddlers may not know of these closures or changes until arrival. When possible, we will post notices on our website. We will make every effort to reschedule reservations affected by these situations; however we cannot guarantee platforms or dates.
